

EZ Open Hot Bag

McNairn Packaging delivers a new bag to the foodservice industry they never knew it needed!

Made for the ease of transporting and serving, our new EZ Open hot bag is ideal for every foodservice operator. With its foil lamination to ensure your product remains hot, to its channel perforation for effortless opening and serving.

From BBQ Ribs and Rotisserie Chicken, to Garlic Knots and Chicken Wings;
this bag is ideally designed to handle it all!

For more information or to request samples, please contact your McNairn Packaging Representative.
